

Initiative No. 207 to the People..

***OFFICIAL BALLOT TITLE**

CIVIL SERVICE FOR STATE EMPLOYEES

AN ACT, Entitled "The State Civil Service Law," relating to state government; establishing a civil service system for state employees; defining employees included and excluded; providing that appointments and promotions in the classified civil service shall be based solely on merit and fitness; governing appointment, promotion, transfer, layoff, recruitment, retention, classification and pay plan, removal, discipline and welfare of civil service employees, agreements regarding grievance procedures and collective negotiations, and other incidents of employment; blanketing-in certain employees; prohibiting certain activities; creating a revolving fund; abolishing existing personnel system; and repealing or amending inconsistent laws.

* As issued by John J. O'Connell, Attorney General.

OFFICIAL ARGUMENT FOR INITIATIVE MEASURE NO. 207

INITIATIVE 207 WILL MODERNIZE WASHINGTON STATE GOVERNMENT BY:

1. **INSURING EQUAL OPPORTUNITY** for all in getting jobs and earning promotions—special privilege for none.
2. **SAVING TAXPAYERS MONEY** by stopping wholesale political firings after election—political turnover is a hidden tax; millions are wasted.
3. **ATTRACTING COMPETENT WORKERS** for State employment—the State cannot get its fair share when there is no job tenure.
4. **BUILDING RESPONSIBLE POLITICAL PARTIES** through placing emphasis on ability of candidates and on the issues—not on promising jobs to armies of party workers; Governor will still appoint top policy makers.
5. **RECOGNIZING WORK PERFORMANCE** as the basis for keeping or firing employees—it's what you know, not who you know, that counts—and seniority in determining order of layoff due to lack of funds or work curtailment.

EXPLANATORY COMMENT ISSUED BY THE ATTORNEY GENERAL AS REQUIRED BY LAW

THE LAW AS IT NOW EXISTS:

Employees or applicants for employment in certain state agencies are now covered by a merit system governing appointments, promotions and conditions of employment. Numerous state personnel are not covered by a merit system or civil service.

EFFECT OF INITIATIVE MEASURE NO. 207 IF APPROVED INTO LAW:

The passage of this act would establish a civil service program for employees or applicants for employment in state government whereby employment is governed by merit principles and scientific methods.

Generally, the act will cover all state employees except persons employed in the judicial branch of government, elected officials, officers of the Washington state patrol, assistant attorneys general, military personnel, temporary personnel, employees in the state printing plant, the chief executive officers of each agency, administrative assistants, confidential secretaries, and a few other similar positions named.

OFFICIAL ARGUMENT AGAINST INITIATIVE MEASURE NO. 207

Don't Vote to CRIPPLE State Government—Vote AGAINST Initiative Measure No. 207

1. **NOT ALL CIVIL SERVICE LAWS ARE GOOD CIVIL SERVICE LAWS.**
 - A. Why did the National Civil Service League refuse to approve Initiative Measure No. 207?
 - B. Why are substantial groups and departments exempted by Initiative Measure No. 207?
 - C. Why should seniority in a job be the only reason for advancement?
2. Proponents say Initiative Measure No. 207 insures equal opportunity . . . but for whom? Initiative Measure 207 immediately insures the jobs of those presently employed . . . who are the ones who prepared and circulated Initiative Measure No. 207 petitions?
3. What does Civil Service do to the efficiency of a worker if he cannot be removed or even suspended from his position without lengthy, complicated and expensive legal proceedings?
4. You, the voter, dictate the policies of state government . . . can your will be carried out if elected officials are powerless to choose or direct their own employees?
5. Enactment of Initiative Measure No. 207 would destroy collective bargaining.

NOTE: The new law completely revising the format of the Voters' Pamphlet provides that at least three persons should be appointed to compose arguments either for or against the initiative measures. However, at the time of going to press, no group had publicly voiced opposition to Initiative Measure No. 207. For this reason, Mr. Neal V. Chaney submitted the above argument as a public service.

Persons so appointed shall have clearly demonstrated an interest and belief in the merit principle, shall not hold any other employment with the state, shall not have been an officer of a political party for a period of one (1) year immediately prior to such appointment, and shall not be or become a candidate for partisan elective public office during the term to which they are appointed;

Section 12. (1) In the necessary conduct of its work, the Board shall meet monthly unless there is no pending business requiring Board action and may hold hearings, such hearings to be called by (a) the chairman of the Board, or (b) a majority of the members of the Board. (2) No release of material, or statement of findings shall be made except with the approval of a majority of the Board;

(3) In the conduct of hearings or investigations, a member of the Board, or the Director of Personnel, may administer oaths.

Section 13. The office of Director of Personnel is hereby established.

(1) Within ninety (90) days after the effective date of this act a Director of Personnel shall be appointed. The merit system director then serving under RCW 50.12.030, whose position is terminated by this act, may serve as Director of Personnel hereunder until a permanent Director of Personnel is appointed as herein provided, and may be appointed as Director of Personnel by the Governor alone; or the Governor may fill the position in the manner hereinafter provided for subsequent vacancies therein on the basis of competitive examination, in conformance with Board rules for competitive ex-

aminations, for which examinations said merit system director shall be eligible.

(2) The Director of Personnel shall be appointed by the Governor from a list of three (3) names submitted to him by the Board with its recommendations, the names on such list shall be those of the three (3) standing highest upon competitive examination conducted by a committee of three (3) persons which shall be appointed by the Board solely for that purpose whenever the position is vacant. Only persons with substantial experience in the field of personnel management shall be eligible to take such examination.

(3) The Director of Personnel shall be removable for cause by the Governor with the approval of a majority of the Board or by a majority of the Board.

(4) The Director of Personnel shall direct and supervise all the Department of Personnel's administrative and technical activities in accordance with the provisions of this act and the rules and regulations approved and promulgated thereunder. He shall prepare for consideration by the Board proposed rules and regulations required by this act. His salary shall be fixed by the Board.

Section 14. It shall be the duty of the Board to make rules and regulations providing for employee participation in the development and administration of personnel policies. To assure this right, personnel policies, rules, classification and pay plans, and amendments thereto, shall be acted on only after the Board has given twenty (20) days notice to, and considered proposals from, employee representatives and agencies affected. Complete and current compilations of all rules and regulations of the Board in printed, mimeographed or multigraphed form shall be available to the public in the office of the Director of Personnel free of charge.

Section 15. The Board shall adopt and promulgate rules and regulations, consistent with the purposes and provisions of this act and with the best standards of personnel administration, regarding the basis for, and procedures to be followed for, the dismissal, suspension, or demotion of an employee, and appeals therefrom; certification of names for vacancies, including departmental promotions, with the number of names equal to two (2) more names than there are vacancies to be filled, such names representing applicants rated highest on eligibility lists; examinations for all positions in the competitive and non-competitive service; appointments; probationary periods of six (6) months and rejections therein; transfers; sick leaves and vacations; hours of work; layoffs when necessary and subsequent re-employment, both according to seniority; agreements between agencies and employee organizations providing for grievance procedures and collective negotiations on personnel matters, including wages, hours and working conditions, which may be peculiar to an agency; adoption and revision of a comprehensive classification plan for all positions in the classified service, based on investigation and analysis of the duties and responsibilities of each such position; allocation and re-allocation of positions within the classification plan; adoption and revision of a state salary schedule to reflect not less than the prevailing

(Continued on next page)

rates in Washington State private industries and other governmental units for positions of a similar nature, such adoption and revision subject to approval by the State Budget Director in accordance with provisions of chapter 328, Laws of 1959; training programs, including in-service, promotional and supervisory; regular increment increases within the series of steps for each pay grade, based on length of service for all employees whose standards of performance are such as to permit them to retain job status in the classified service; and providing for veteran's preference as required by existing statutes.

Section 16. In adopting or revising classification and salary schedules as set forth in section 15 the Board shall give full consideration to prevailing rates in other public employment and in private employment in this state and for this purpose shall have made periodic wage surveys with one such survey to be conducted each year prior to the convening of each regular session of the state legislature, the results of such wage survey to be forwarded with a recommended state salary schedule to the Governor and State Budget Director for their use in preparing budgets to be submitted to the succeeding legislature.

Section 17. (1) The Board, in the promulgation of rules and regulations governing suspensions for cause, shall not authorize an appointing authority to suspend an employee for more than fifteen (15) calendar days as a single penalty or more than thirty (30) calendar days in any one calendar year as an accumulation of several penalties. The Board shall require that the appointing authority give written notice to the employee not later than one day after the suspension takes effect, stating the reasons for and the duration thereof. The authority shall file a copy of the notice with the Director of Personnel.

(2) Any employee who is reduced, dismissed, suspended or demoted, after completing his probationary period of service as provided by the rules and regulations of the Board, shall have the right to appeal to the Board not later than thirty (30) days after the effective date of such action. The employee shall be furnished with specified charges in writing when the action is taken. Such appeal shall be in writing and shall be heard by the Board within thirty (30) days after its receipt. The Board shall furnish the agency concerned with a copy of the appeal in advance of the hearing.

Section 18. Hearings on such appeals shall be open to the public, except for cases in which the Board determines there is substantial reason for not having an open hearing, or in cases where the employee so requests, and shall be informal with technical rules of evidence not applying to the proceedings except the rules of privilege recognized by law. Both the employee and his appointing agency shall be notified reasonably in advance of the hearing and may select representatives of their choosing, present and cross-examine witnesses and give evidence before the Board. Members of the Board may, and shall at the request of either party, issue subpoenas and subpoenas duces tecum. All testimony shall be on oath administered by a member of the

Board. The Board shall certify to the superior court the facts of any refusals to obey a subpoena, take the oath, or testify. The court shall summarily hear the evidence on such refusal and if the evidence warrants punish such refusal in the same manner and to the same extent as for contempt committed before, or in connection with the proceedings of, the court. The Board shall prepare an official record of the hearing, including all testimony, recorded manually or by mechanical device, and exhibits; but it shall not be required to transcribe such record unless requested by the employee, who shall be furnished with a complete transcript upon payment of a reasonable charge therefor. Payment of the cost of a transcript used on appeal shall await determination of the appeal, and shall be made by the employing agency if the employee prevails.

Section 19. Within thirty (30) days after the conclusion of the hearing the Board shall make and fully record in its permanent records findings of fact, conclusions of law when the construction of a rule, regulation or statute is in question, reasons for the action taken and its order based thereon, which shall be final subject to action by the court on appeal as hereinafter provided, at the same time sending a copy of the findings, conclusions and order by registered mail to the employing agency and to the employee at his address as given at the hearing or to a representative designated by him to receive the same.

Section 20. (1) Within thirty (30) days after the recording of the order and the mailing thereof, the employee may appeal to the Superior Court of Thurston County, or in the case of an employee of an Institution of Higher Learning to the Superior Court of the County in which such institution is located, on one or more of the grounds that the order was:

(a) Founded on or contained error of law, which shall specifically include error in construction or application of any pertinent rules or regulations;

(b) Contrary to a preponderance of the evidence as disclosed by the entire record with respect to any specified finding or findings of fact;

(c) Materially affected by unlawful procedure;

(d) Based on violation of any constitutional provision; or

(e) Arbitrary or capricious.

(2) Such grounds shall be stated in a written notice of appeal filed with the court, with copies thereof served on the Director of Personnel or a member of his staff or a member of the Board and on the employing agency, all within the time stated.

(3) Within thirty (30) days after service of such notice, or within such further time as the court may allow, the Board shall transmit to the court a certified transcript, with exhibits, of the hearing; but by stipulation between the employing agency and the employee the transcript may be shortened, and either party unreasonably refusing to stipulate to such limitation may be ordered by the court to pay the additional cost involved. The court may require or permit subsequent corrections or additions to the transcript.

(Continued on next page)

Section 21. (1) The court shall review the hearing without a jury on the basis of the transcript and exhibits, except that in case of alleged irregularities in procedure before the Board not shown by the transcript the court may order testimony to be given thereon. The court shall upon request by either party hear oral argument and receive written briefs.

(2) The court may affirm the order of the Board, remand the matter for further proceedings before the Board, or reverse or modify the order if it finds that the employee's objection thereto is well taken on any of the grounds stated. Appeal shall be available to the employee to the Supreme Court from the order of the Superior Court as in other civil cases.

Section 22. (1) An employee who is terminated from state service may request the Board to place his name on an appropriate re-employment list and the Board shall grant this request where the circumstances are found to warrant re-employment.

(2) Any employee, when fully reinstated after appeal, shall be guaranteed all employee rights and benefits, including back pay, sick leave, vacation accrual, retirement and OASDI credits.

Section 23. The State Personnel Board established and existing under the provisions of RCW 50.12.030, section 42, chapter 35, Laws of 1945, and section 10, chapter 215, Laws of 1947, is abolished, and the terms of office of its members are terminated at such time as the Board created by section 11 of this act has been appointed by the Governor. The employees, and the supplies, equipment, records, and funds in the possession or under the control of said board shall be transferred forthwith by it to the Department of Personnel.

Section 24. (1) Employees, except the merit system director, currently serving under the jurisdiction of a state merit system established by law shall automatically retain their permanent or probationary status acquired under such system;

(2) All persons who were in the employ of the state government outside the statutory personnel systems immediately prior to the effective date of this act, in positions not exempted from the classified system coverage by this act, shall automatically receive such permanent or probationary status with respect to such positions, and any prior positions, as they would have acquired with respect thereto had they been serving satisfactorily therein under the merit system rule, in effect on April 1, 1958, administered by the State Personnel Board under RCW 50.12.030;

(3) The Board shall give due consideration to any prior state service of an applicant in its establishment of rules and regulations for the making of appointments under this act.

Section 25. (1) Solicitation for or payment to any partisan, political organization or for any partisan, political purpose of any compulsory assessment or involuntary contribution is prohibited. No person shall solicit on state property any contribution to be used for partisan, political purposes.

(2) Employees shall have the right to vote and

to express their opinions on all political subjects and candidates, but shall not hold any political party office or participate in the management of a partisan, political campaign. Nothing in this section shall prohibit a classified employee from participating fully in campaigns relating to constitutional amendments, referendums, initiatives, and issues of a similar character, and for non-partisan offices.

(3) Nothing in this section shall prohibit appointment, nomination or election to part-time public office in a political subdivision of the state when the holding of such office is not incompatible with, nor substantially interferes with, the discharge of official duties in state employment.

(4) For persons employed in State Agencies the operation of which is financed in total or in part by Federal grant-in-aid funds political activity will be regulated by the rules and regulations of the United States Civil Service Commission.

Section 26. If any part of this act shall be found to be in conflict with federal requirements which are a condition precedent to the allocation of federal funds to the state, such conflicting part of this act is hereby declared to be inoperative solely to the extent of such conflict and with respect to the agencies directly affected, and such findings or determination shall not affect the operation of the remainder of this act in its application to the agencies concerned. The Board shall make such rules and regulations as may be necessary to meet federal requirements which are a condition precedent to the receipt of federal funds by the state.

Section 27. A disbursing officer shall not pay any employee holding a position covered by this act unless the employment is in accordance with this act or the rules, regulations and orders issued hereunder. The Board and the State Budget Director shall jointly establish procedures for the certification of payrolls.

Section 28. There is hereby created a fund to be held in the custody of the State Treasurer, outside the state treasury, designated as the "Department of Personnel Service Fund", to be used by the Board as a revolving fund for the payment of salaries, wages and operations required for the administration of the provisions of this act. An amount equal to one percent (1%) of the approved allotments of salaries and wages for all positions in the classified service in each of the agencies subject to this act, except the institutions of higher learning and the department of highways, shall be charged to the operations appropriations of each agency and credited to the Department of Personnel Service Fund as such allotments are approved pursuant to chapter 328, Laws of 1959. The Director of Personnel shall fix the terms and charges for services rendered by the Department of Personnel pursuant to section 8 of this act, which amounts shall be credited to the Department of Personnel Service Fund and charged against the proper fund or appropriation of the recipient of such services on a quarterly basis; payment for services so rendered under section 8 shall be made on a quarterly basis to the State Treasurer as custodian of the Department of Per-

(Continued on next page)

sonnel Service Fund. Monies from the Department of Personnel Service Fund shall be disbursed by the State Treasurer by warrants or checks on vouchers duly authorized by the Board.

Section 29. Nothing in this act shall be interpreted as changing the provisions of or affecting the conditions of employment for personnel covered by chapter 47.64 RCW.

Section 30. Section 2, chapter 113, Laws of 1947 and RCW 43.66.030 are each amended to read as follows:

The Board may employ such employees as in its judgment are required from time to time.

Section 31. Section 1, chapter 68, Laws of 1929 and RCW 43.17.090 are each amended to read as follows:

The administrative board shall:

(1) From time to time, systematize and unify the administrative duties of the departments of the state government and make such necessary assignments of duties to the departments as it may deem advisable to correlate and coordinate the work thereof;

(2) Fix the amount of bond to be given by each appointive state officer and each employee of the state in all cases where it is not fixed by law;

(3) Require the giving of an additional bond, or a bond in a greater amount than provided by law, in all cases where in its judgment the statutory bond is not sufficient in amount to cover the liabilities of the officer or employee;

(4) Exempt subordinate employees from giving bond when in its judgment their powers and duties are such as not to require a bond.

Section 32. Section 4, chapter 114, Laws of 1947, section 19, chapter 176, Laws of 1935, section 47, chapter 7, Laws of 1921 (heretofore combined and codified as RCW 43.41.020) are each amended to read as follows:

(RCW 43.41.020) The director of budget shall:

(1) Exercise all the powers and perform all the duties prescribed by law with respect to the administration of the state budget law, the pre-auditing of state departments, the approval of purchases of materials and supplies by state departments, and the approval of public printing bills;
