

INITIATIVE MEASURE 607

TO THE PEOPLE

Note: The ballot title and explanatory statement were written by the Attorney General as required by law. The complete text of Initiative Measure 607 begins on page 10.

Statement for

Initiative 607 closely resembles measures that have passed in Washington's surrounding states. Since 1979 in Oregon, 1982 in Idaho, and 1984 in Montana denturism has proven to be an *effective, safe and affordable* option for denture patients. Canada has recognized the profession of denturism for over 30 years. These states and countries have proven that a denturist is a competent and reliable alternative to a dentist for the provision of dentures.

In 1987 the State Health Coordinating Council under the Department of Social and Health Services found that denturists posed no threat to the public's health and that legislation on denturism should be enacted. Endorsers of Initiative 607 include AARP, Washington State Retired Teachers Association, Retired Public Employees, Washington State Labor Council and Citizens for Health.

Denturists are more than laboratory technicians. Initiative 607 does not include a "grandfather clause" and it calls for individuals who wish to become licensed Washington denturists to pass a written and practical board certified exam. This exam covers college level course topics such as: microbiology, oral pathology and partial denture construction and design. Licensed denturists will be highly qualified denture health care providers.

Finally, the field of denturism has proven to lower the costs of dentures due to increased competition in the provision of dentures to the general public. Initiative 607 simply provides the citizens of Washington the **FREEDOM OF CHOICE** for their denture care. Upon passage of Initiative 607 Washingtonians will finally receive the same options that their neighbors have received for decades.

Official Ballot Title:

Shall persons other than dentists be licensed to make and sell dentures to the public, as regulated by a new state board of denture technology?

Rebuttal of Statement against

Millions of dollars have been donated by special interest groups to Washington's elected officials over the last 15 years in an attempt to restrict the legislature's ability to pass this issue. Democrats and Republicans have never had the chance to say **YES** or **NO** to I-607. Citizens for Affordable Denture Care consists of *hundreds of thousands* of Washingtonians who have already said **YES** to I-607's **Freedom of Choice**.

Now, **YOU** have the opportunity to choose.

Voters Pamphlet Statement Prepared by:

VALLAN CHARRON, Chairman, Citizens for Affordable Denture Care; HAROLD MOSS, Mayor of Tacoma; KURT ROEHL, member of Washington Denturist Association.

Advisory Committee: ALEXANDER G. SCHAUSS, Ph.D., Executive Director, Citizens for Health; JOHN J. DEMANOVICH, President, Retired Public Employees of Washington; MAX ROFFMAN, Board of Directors, Puget Sound Council of Senior Citizens; MARTHA KEMP, President, Washington State Retired Teachers Association; LARS HENNUM, President, Washington State Council of Senior Citizens.

The law as it now exists:

Current law defines the furnishing or fitting of dentures (sometimes called "false teeth") as an element of the practice of dentistry. No person may legally prescribe or furnish dentures to a patient except a licensed dentist, or a person working under the direct supervision of a licensed dentist. "Denturists" are not currently licensed in the State of Washington.

The effect of Initiative Measure 607, if approved into law:

This measure would allow a new category of persons, licensed as "denturists," to examine patients and make and fit dentures. The measure creates a state board of dental technology, which would establish standards for the practice of denturism, administer tests and examinations, issue and renew licenses for qualifying denturists, and have authority to discipline denturists who violate professional standards. A denturist could supply dentures directly to patients without the supervision or involvement of a dentist. However, denturists and dentists would be free to practice together if they wished, and dentists would still be permitted to furnish dentures as a part of their practice.

Statement against

PROTECT SENIOR CITIZENS AND OTHER DENTAL PATIENTS - VOTE NO ON I-607.

VOTE NO ON I-607 TO PROTECT PUBLIC HEALTH.

This initiative is a threat to public health. Obtaining dentures is not like having a pair of shoes fitted at the local mall or buying magnifying eyeglasses at the drug store. Providing partials (removable bridges attached to natural teeth) and dentures (false teeth) is a complex health care service and is part of overall dental care requiring the expertise of your dentist.

VOTE NO ON I-607 TO MAINTAIN OUR HIGH DENTAL STANDARDS.

A few dental lab technicians can acquire a quick license through a loophole hidden in the fine print of I-607. These technicians have no formal training in hands-on patient care. Senior citizens and others could place their oral health in the hands of unqualified technicians without the training to recognize unhealthy conditions. An ill-fitting denture or bridge destroys bone and teeth. Health care is too serious to "let the buyer beware!"

VOTE NO ON I-607 TO SAY THAT ILLEGAL PAID SIGNATURE GATHERING IS WRONG.

I-607 is backed by a small group who paid \$200,000 to manipulate the process by collecting signatures illegally. These few technicians who would gain a quick license have lobbied the legislature for years and both Democrats and

Republicans have said "NO!" I-607 lacks public support. It only benefits the few technicians who paid to get this initiative on the ballot.

Vote for Good Oral Health

Vote Against Manipulation

Vote NO on I-607

Rebuttal of Statement for

Forty-five states prohibit denturism, forty-nine prohibit fitting partial dentures.

The "grandfather clause" will allow the I-607 sponsors to become licensed **without** attending an accredited school (see section 10.1-3 and 18.3).

I-607 **does not** require sanitation controls to protect against infectious diseases.

I-607 is **not** an economic issue. Dentures and partials represent **less than one-half of one percent** of dentists' insurance claims.

I-607 is radical health care deregulation opposed by the **Gray Panthers**.

AN ACT Relating to denturism; amending RCW 18.120.020 and 18.130.040; adding a new section to chapter 48.20 RCW; adding a new section to chapter 48.21 RCW; adding a new section to chapter 48.43 RCW; adding a new section to chapter 48.44 RCW; adding a new section to chapter 48.46 RCW; adding a new chapter to Title 18 RCW; and creating a new section.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF WASHINGTON:

NEW SECTION. Sec. 1. The state of Washington finds that to realize the state's current statutory policy of regulating health professions at the least restrictive level consistent with the public interest, a program of licensure for denturists should be established. The intent of the legislature is to help assure the public's health, provide a mechanism for consumer protection, and offer cost-effective alternatives for denture care services and products to individual consumers and the state.

NEW SECTION. Sec. 2. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

- (1) "Board" means the state board of denture technology.
- (2) "Denture" means a removable full or partial upper or lower dental appliance to be worn in the mouth to replace missing natural teeth.
- (3) "Denturist" means a person licensed under this chapter to engage in the practice of denturism.
- (4) "Department" means the department of health.
- (5) "Practice of denturism" means:
 - (a) Making, placing, constructing, altering, reproducing, or repairing a denture; and

- (6) "Secretary" means the secretary of health or the secretary's designee.

NEW SECTION. Sec. 3. (1) Before making and fitting a denture, a denturist shall examine the patient's oral cavity.

(a) If the examination gives the denturist reasonable cause to believe that there is an abnormality or disease process that requires medical or dental treatment, the denturist shall immediately refer the patient to a dentist or physician. In such cases, the denturist shall take no further action to manufacture or place a denture until the patient has been examined by a dentist or physician and the dentist or physician gives

written clearance that the denture will pose no threat to the patient's health.

(b) If the examination reveals the need for tissue or teeth modification in order to assure proper fit of a full or partial denture, the denturist shall refer the patient to a dentist and assure that the modification has been completed before taking an impression for the completion of the denture.

(2) A denturist who makes or places a denture in a manner not consistent with this section is subject to the sanctions provided in chapter 18.130 RCW, the uniform disciplinary act.

(3) A denturist must successfully complete special training in oral pathology prescribed by the board, whether as part of an approved associate degree program or equivalent training, and pass an examination prescribed by the board, which may be a part of the examination for licensure to become a licensed denturist.

NEW SECTION. Sec. 4. No person may represent himself or herself as a licensed denturist or use any title or description of services without applying for licensure, meeting the required qualifications, and being licensed as a denturist by the department, unless otherwise exempted by this chapter.

NEW SECTION. Sec. 5. Nothing in this chapter prohibits or restricts:

- (1) The practice of a profession by an individual who is licensed, certified, or registered under other laws of this state and who is performing services within the authorized scope of practice;
- (2) The practice of denturism by an individual employed by the government of the United States while the individual is engaged in the performance of duties prescribed by the laws and regulations of the United States;

- (a) Four members of the board must be denturists licensed under this chapter, except initial appointees, who must have five years' experience in the field of denturism or a related field.
- (b) Two members shall be selected from persons who are not affiliated with any health care profession or facility, at least one of whom must be over sixty-five years of age representing the elderly.
- (c) One member must be a dentist licensed in the state of Washington.
- (2) The members of the board shall serve for terms of three

NEW SECTION. Sec. 14. The board shall establish by rule the administrative requirements for renewal of licenses to practice denturism, but shall not increase the licensure requirements provided in this chapter. The board shall establish a renewal and late renewal penalty in accordance with RCW 43.70.250. Failure to renew shall invalidate the license and all privileges granted by the license. The board shall determine by rule whether a license shall be canceled for failure to renew and shall establish procedures and prerequisites for relicensure.

NEW SECTION. Sec. 15. (1) An individual may place his or her license on inactive status. The holder of an inactive license shall not practice denturism in this state without first activating the license.

(2) The inactive renewal fee shall be established by the

(3) An inactive license may be placed in an active status upon compliance with rules established by the board.

(4) The provisions relating to denial, suspension, and revocation of a license are applicable to an inactive license, except that when proceedings to suspend or revoke an inactive license have been initiated, the license shall remain inactive until the proceedings have been completed.

NEW SECTION. Sec. 16. Notwithstanding any other provision of state law, a licensed dentist may enter into a partnership or other business association with a dentist, provided that such association does not impede the independent professional judgment of either party.

NEW SECTION. Sec. 17. This chapter may be known and cited as the Washington state dentist act.
