Explanatory Statement

Written by the Office of the Attorney General

The Law as it Presently Exists

Washington law requires background checks for the sale or transfer of firearms, with exceptions. This background check requirement applies to sales and transfers of firearms through firearms dealers, at gun shows, online, and between unlicensed private individuals. This requirement applies to most sales of firearms, as well as gifts or loans of firearms. The background check includes checking with federal and state agencies for criminal convictions, pending criminal charges or warrants, and certain mental health records.

A sale or transfer of a firearm cannot take place if the background check shows that the buyer or recipient is legally ineligible to possess it. The sale or transfer of a firearm may be completed if the result of a background check is not received within 10 business days. That 10 day period is extended to 60 days if the buyer or recipient does not have a valid permanent Washington driver's license or state identification card, or has not lived in Washington for at least 90 days. It is a felony to deliver a firearm to any person reasonably believed to be prohibited from owning or possessing a firearm.

The delivery of a pistol may be restricted based on an outstanding warrant for a buyer's arrest or certain other charges or proceedings that might be pending against the buyer. Certain recordkeeping requirements apply to the sale of a pistol that do not apply to other types of firearms. A licensed firearm dealer must report to the state the buyer's name, address, and other information. The state maintains records of the sales of pistols. The state does not maintain records of other transfers or a registry of firearms. State law requires that an application for the purchase of a pistol contain a warning about the possibility of criminal prosecution for the illegal possession of firearms, and that state and federal laws regarding possession of firearms

State law makes it illegal to possess some kinds of firearms. These include machine guns, short-barreled shotguns, and short-barreled rifles. Machine guns include firearms that do not require a separate trigger pull for each shot, and can store ammunition in a separable device such as a clip that can fire at the rate of five or more shots per second. There are exceptions to this prohibition.

State law prohibits certain people from possessing firearms. A person convicted of certain crimes or found not guilty by reason of insanity is ineligible to possess a firearm. The entry of a civil commitment order based on mental health also makes a person ineligible to possess a firearm.

The entry of restraining orders for harassing, stalking, or threatening an intimate partner or child may make a person ineligible to possess a firearm under some circumstances. Firearm rights can be restored under some circumstances.

People between the ages of 18 and 21 are generally allowed to possess a pistol only in their residence, their place of business, or property under their control. A person under age 18 is generally prohibited from possessing a firearm. State law allows a person under age 18 to possess a firearm only under limited circumstances. These exceptions include, among others: while attending a firearms safety course, while practicing or target shooting at an approved range, while competing in an organized competition, while hunting with a valid hunting license, or in certain instances with parental permission.

Residents of other states may purchase rifles and shotguns in Washington if they are eligible to possess such weapons under federal law and the laws of both Washington and the state in which they reside. Nonresidents are subject to the same background check requirements that apply to Washington residents.

State law does not currently require firearms safety training to possess a firearm. Hunter safety training may be required to obtain a hunting license. State law does not specifically regulate firearms storage.

The Effect of the Proposed Measure if Approved

This measure would change state laws regarding firearms. Some of these changes would relate only to semiautomatic assault rifles, as defined. Other changes would apply to other types of firearms as well.

The initiative defines a "semiautomatic assault rifle" to mean:

any rifle which utilizes a portion of the energy of a firing cartridge to extract the fired cartridge case and chamber the next round, and which requires a separate pull of the trigger to fire each cartridge.

The initiative defines semiautomatic assault rifles not to include antique firearms, permanently inoperable firearms, or any firearm that is manually operated by bolt, pump, lever, or slide action.

This initiative would add new requirements for the purchase of a semiautomatic assault rifle. Buyers would be required to provide proof that they have completed a recognized firearm safety training program within the past five years. That training program must include instruction on:

- Basic firearms safety rules;
- Firearms and children, including secure gun storage and talking to children about gun safety;

- Firearms and suicide prevention;
- Secure gun storage to prevent unauthorized access and use;
- Safe handling of firearms; and
- State and federal firearms laws, including prohibited firearms transfers.

This initiative would make it illegal for a person under 21 years of age to buy a pistol or semiautomatic assault rifle. It would make it illegal for any person to sell or transfer a semiautomatic assault rifle to a person under age 21. The initiative would prohibit a person between the ages of 18 and 21 from possessing a semiautomatic assault rifle except in the person's residence, fixed place of business, on real property under his or her control, or for other specified purposes.

The initiative would require a dealer to wait at least 10 days before delivering a semiautomatic assault rifle to a buyer. It would also prohibit anyone who is not a resident of Washington from buying a semiautomatic assault rifle in Washington.

The initiative would change some laws that currently apply only to pistols and apply them to both pistols and semiautomatic assault rifles. These include restrictions on delivery when a buyer has an outstanding warrant for his or her arrest. This would also be true for situations in which certain charges or proceedings are pending. Background check and record keeping requirements that currently apply only to the purchase of pistols would also apply to the purchase of semiautomatic assault rifles. The same requirements for collecting and maintaining information on purchases of pistols would apply to purchases of semiautomatic assault rifles.

The initiative would require a new warning on application forms for the purchase of a pistol or semiautomatic assault rifle. This new warning would read:

> CAUTION: The presence of a firearm in the home has been associated with an increased risk of suicide, death during domestic violence incidents, and unintentional deaths to children and others.

The initiative would allow the state to impose a fee of up to \$25 on each purchaser of a semiautomatic assault rifle. This fee would be used to offset certain costs of implementing the initiative. The fee would be adjusted for inflation.

The initiative would create new criminal offenses for the unsafe storage of a firearm if a person who cannot legally possess a firearm gets it and uses it in specified ways. These crimes would apply to a person who stores or leaves a firearm in a place where the person knows, or reasonably should know, that a prohibited person may gain access to the firearm. Failure to securely store a firearm would only be a crime if certain other events happen. A person who fails to securely store a firearm would be guilty of a felony if a person who is legally ineligible to possess a firearm uses it to cause personal injury or death. A person who fails to securely store a firearm would be guilty of a gross misdemeanor if a person who is legally ineligible to possess a firearm discharges it, uses it in a way that shows intent to intimidate someone or that warrants alarm for the safety of others, or uses the firearm in the commission of a crime.

The initiative would not mandate how or where a firearm must be stored. But it would provide that the crimes regarding unsecure storage would sometimes not apply. Those crimes would not apply if the firearm was in secure gun storage, meaning a locked box, gun safe, or other locked storage space that is designed to prevent unauthorized use or discharge of a firearm. The crimes also would not apply if the firearm was secured with a trigger lock or similar device that is designed to prevent the unauthorized use or discharge of the firearm. The crimes would not apply if the person who gets the firearm is ineligible to possess it because of age but the access is with parental permission and under adult supervision. The crimes would not apply in cases of self-defense. Finally, the crimes would not apply if the person who is ineligible to possess a firearm obtains it through unlawful entry, if the unauthorized access or theft is reported to law enforcement within five days of the time the victim knew or should have known that the firearm had been taken.

The initiative would require every firearm dealer to offer to sell or give the purchaser or transferee of any firearm a secure gun storage device or trigger lock. It would also require every store, shop, or sales outlet where firearms are sold to post a warning sign advising buyers that they may face criminal prosecution if they store or leave an unsecured firearm where a person prohibited from possessing the firearm can get it. A similar written warning must be delivered to firearm buyers and transferees. Violation of these requirements would be a civil infraction.

Finally, the initiative would require the development of a cost-effective and efficient process to verify that people who have acquired pistols or semiautomatic assault rifles remain eligible to possess a firearm under state and federal law. This process would provide for notice to local chiefs of police and sheriffs to take steps to ensure that persons legally ineligible to possess firearms are not illegally in possession of firearms.

Fiscal Impact Statement

FISCAL IMPACT SUMMARY

Initiative 1639 changes state laws regarding firearms. It allows the state to collect a fee up to \$25 for certain rifle sales and transfers; however, the number of these rifle sales and transfers isn't available. The initiative creates new criminal offenses for unsafe storage of a firearm. The state and local costs related to these criminal offenses cannot be determined as there is no data to estimate the number of cases filed or persons convicted each year. The cost for the annual verification cannot be determined as the process has not been developed. Therefore, the fiscal impacts cannot be determined.

General Assumptions

- The effective date of the initiative is July 1, 2019, except Section 13, which takes effect Jan. 1, 2019.
- The provisions of the initiative apply prospectively, not retroactively.
- No data is available on the number of semiautomatic rifles bought or transferred each year in Washington. Federal law prohibits the tracking of gun purchases (U.S.C. Title 18, Part 1, Chapter 44, Sec. 926).
- Fiscal estimates use the state's fiscal year of July 1 through June 30. Fiscal year 2019 is July 1, 2018, to June 30, 2019.

REVENUE

State Revenue

The Department of Licensing (DOL) would be authorized to charge a fee of up to \$25 for each semiautomatic assault rifle (SAR) sale or transfer. (The initiative includes a new definition for SAR.) The fee would be adjusted for inflation. The initiative specifies the distribution of this revenue to state agencies and local law enforcement agencies for record keeping and other related costs they incur. Because data is not available to provide an estimate on the number of SARs purchased, no estimate of state revenue is available. However, the state does have data on the number of background checks conducted for concealed pistol licenses (CPLs) and sales of handguns and long guns (which would include SARs and other long guns). An average of 560,000 such background checks were conducted each year between 2013 and 2017.

Washington state law also requires mental health background checks for all CPLs and handgun sales, but not long gun sales. An average of 300,000 mental health

background checks were conducted each year between 2013 and 2017.

Subtracting the number of mental health background checks for CPLs and handguns from the number of criminal checks for CPLs, hand guns and long guns yields an average estimate of 260,000 long gun criminal checks per year. The state does not have data to determine what percentage of the total long gun checks would meet the definition of SAR under the initiative.

EXPENDITURES

State Government Expenditures

Annual verification of eligibility to possess a firearm

The initiative would allow, but would not require, DOL, Washington State Patrol and other state and local law enforcement agencies to form a temporary group to advise on how to set up an efficient, cost-effective process for annual verification of eligibility to possess a firearm. Whether such a group is formed, and what expenses it may incur, are unknown and indeterminate. However, DOL has conducted similar work group activities that cost \$15,000.

The initiative does not define the verification process, and DOL has not yet identified a likely option or set of options for annual verifications. Therefore potential costs to state and local governments are indeterminate.

Mental health background checks

The initiative would require mental health background checks for someone to purchase a SAR. Although data is not available to estimate the number of additional mental health background checks that would need to be performed, more work is likely for the Health Care Authority. One or more additional background check specialists could be hired at an annual cost of \$83,000 each.

Unsafe storage of a firearm crime

The initiative would create a new class C felony of Community Endangerment Due to Unsafe Storage of a Firearm in the First Degree. It would be punishable by 0–12 months in county jail (see local expenditure impacts). The number of potential prosecutions and convictions of this new crime is unknown.

If an aggravated exceptional sentence were imposed, a sentence exceeding 12 months would result and be served at a state prison. The average cost of a state prison bed is \$101 per day.

There would be an indeterminate fiscal impact due to additional filings or trial court proceedings to the Administrative Office of the Courts as a result of any new misdemeanor and/or felony charges.

Dealers registered with DOL would be required to post

warning signs and provide a written warning to a purchaser about secure gun storage. DOL would incur minimal costs to print and mail the warning signs to dealers.

Record keeping

The initiative would require the Department of Licensing to keep records of CPL and SAR applications and transfers. The department already tracks CPL applications and transfers. The addition of SARs to record keeping, as required by the initiative, would increase the data input workload to its firearms database. (While online submission is available, DOL receives 60 percent of applications by mail, in paper form, from dealers and private gun sales.) The department would also incur costs to update forms and upgrade computer systems to add SAR records to its firearms database. DOL would experience rule-making, information services and administrative costs to implement this initiative. One-time costs would be at least \$1.1 million and \$500,000 annually thereafter. Additional staffing costs could be incurred, depending on the number of SAR records the agency processes.

Local Government Expenditures

Annual verification of eligibility to possess a firearm

If a person is found ineligible to possess a pistol or SAR, the Department of Licensing is required to notify a chief of police or sheriff, who then takes steps to ensure that the person does not illegally possess one. Associated costs are indeterminate.

Unsafe storage of a firearm crime

The initiative would create a new class C felony (Community Endangerment Due to Unsafe Storage of a Firearm in the First Degree). As an unranked Class C felony offense, it is punishable by a standard range term of confinement of 0–12 months in jail.

It also would create a new gross misdemeanor (Community Endangerment Due to Unsafe Storage of a Firearm in the Second Degree). As a gross misdemeanor offense, it is punishable by a standard range term of confinement of 0–364 days in jail.

Average costs to prosecute and defend a comparable felony are \$2,260 and, for a comparable misdemeanor, approximately \$1,700.

Sentences of less than one year in length are typically served in county jails. The average cost of a county jail bed is \$106 per day.

According to local governments, it is unknown how many people may be charged, tried or convicted. Costs are indeterminate for city and county law enforcement agencies, prosecutors, indigent defense attorneys and county jails.

Argument for

Yes on I-1639: For Safer Schools and Communities

Five of the last six school shooters used an assault weapon; 80% of school shooters obtained guns from their own home or that of a relative or friend. Over 187,000 students have experienced school gun violence since 1999. Deadly shootings, including Parkland, Las Vegas, Orlando, and even Mukilteo, involved assault weapons. Enough is enough. We need to get serious about keeping firearms, especially assault weapons, out of the wrong hands.

Assault Weapons are Made to Kill

Assault weapons are not designed for hunting or protecting families from danger; they are military-grade weapons designed to kill large numbers of people. These weapons belong in the hands of trained experts, not people who might harm others.

Commonsense Reforms

In the U.S. military, soldiers are not allowed to handle firearms without training. Yet, anyone in Washington can buy militarygrade weapons without training or additional screening. This measure prevents anyone under the age of 21 from purchasing a semi-automatic assault rifle. It requires additional background checks and mandatory training so people who buy these weapons use them safely. I-1639 requires securing these and other deadly weapons, reducing how easily kids and prohibited users can access them.

We Must Act to Reduce Gun Violence

No law will stop every person intent on committing violence, but we must do something. Reducing access to assault weapons and ensuring those who do own assault weapons have safety training is a commonsense reform we urgently need.

Rebuttal of argument against

The gun lobby has a long track record of trying to convince Washingtonians there's nothing we can do to stop the plague of gun violence. They are wrong. This common sense measure requires the same standards for purchasing semi-automatic assault rifles that are already required for handguns. It will not affect law-abiding, responsible gun owners, rather, it will establish common sense safeguards to help prevent dangerous, unlawful access to firearms.

Argument against

I-1639 Removes Rights from Law-Abiding Adults

Washington's law-abiding adults aged 18-20 are responsible enough to vote, purchase a home, and serve in our military. Yet I-1639's proponents want you to believe these same adults cannot be trusted to defend themselves or their families and are attempting to use the crimes of a few as a justification to curtail the rights of hundreds of thousands of Washingtonians.

I-1639 Makes Firearms Unavailable for Self-Defense

I-1639 would require gun owners to lock up their firearms or face criminal charges. This strict mandate renders firearms useless in self-defense situations by requiring them to be locked up. The United States Supreme Court invalidated a similar law as a violation of the Second Amendment, but I-1639's proponents are nonetheless seeking to create this unconstitutional requirement in Washington.

I-1639's Misguided Approach Will Not Impact Crime

Handguns- not rifles- are used in the majority of crimes committed with a firearm in Washington. Targeting rifle ownership will only restrict law-abiding adults from accessing them for self-defense, home protection, and hunting.

I-1639 is Another Extreme Seattle Agenda that Fails to Improve Safety

I-1639 is bankrolled by a handful of Seattle billionaires that are more concerned with pushing failed California-style gun control than finding real solutions to make our schools and communities safe. This 33-page initiative requires firearm registration, waiting periods, mandatory government training, firearm storage requirements, purchase tax, and more- none of which will stop criminals or protect our Washington schools.

Rebuttal of argument for

I-1639 is not about "assault weapons". I-1639 targets *all* semiautomatic rifles, *including hunting rifles and target shooting rifles*. These are not fully automatic military grade weaponsthese are commonly owned rifles used for self-defense, home protection and hunting. I-1639 places Washingtonians at risk by restricting access to firearms for lawful self-defense, while doing *nothing* to increase security in schools or target violent criminals. Don't let I-1639 leave Washingtonians defenseless. Vote No.

Complete Text Initiative Measure No. 1639

AN ACT Relating to increasing public safety by implementing firearm safety measures, including requiring enhanced background checks, waiting periods, and increased age requirements for semiautomatic assault rifles and secure gun storage for all firearms; amending RCW 9.41.090, 9.41.092, 9.41.094, 9.41.097, 9.41.0975, 9.41.110, 9.41.113, 9.41.124, 9.41.240, 9.41.129, and 9.41.010; adding new sections to chapter 9.41 RCW; creating new sections; prescribing penalties; and providing effective dates.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF WASHINGTON:

<u>NEW SECTION.</u> Sec. 1. INTENT. Gun violence is far too common in Washington and the United States. In particular, shootings involving the use of semiautomatic assault rifles have resulted in hundreds of lives lost, devastating injuries, and lasting psychological impacts on survivors, their families, and communities. Semiautomatic assault rifles are specifically designed to kill quickly and efficiently and have been used in some of the country's deadliest mass shootings, including in Newtown, Connecticut; Las Vegas, Nevada; and Parkland and Orlando, Florida, among others. Semiautomatic assault rifles have also been used in deadly shootings in Washington, including in Mukilteo and Tacoma.

The impacts of gun violence by assault weapons fall heavily on children and teenagers. According to one analysis, more than two hundred eight thousand students attending at least two hundred twelve schools have experienced a shooting on campus since the Columbine mass shooting in 1999. Active shooter drills are normal for a generation of American schoolchildren, instilling at a young age the sad and unnecessary realization that a mass shooting can happen in any community, in any school, at any time.

Enough is enough. The people find and declare that it is crucial and urgent to pass laws to increase public safety and reduce gun violence.

Implementing an enhanced background check system for semiautomatic assault rifles that is as strong as the one required to purchase a handgun and requiring safety training and a waiting period will help ensure that we keep these weapons out of dangerous hands. Further, federal law prohibits the sale of pistols to individuals under the age of twenty-one and at least a dozen states further restrict the ownership or possession of firearms by individuals under the age of twenty-one. This makes sense, as studies show that eighteen to twenty year olds commit a disproportionate number of firearm homicides in the United States and research indicates that the brain does not fully mature until a later age. Raising the minimum age to purchase semiautomatic assault rifles to twenty-one is a commonsense step the people wish to take to increase public safety.

Finally, firearms taken from the home by children or other persons prohibited from possessing firearms have been at the heart of several tragic gun violence incidents. One study shows that over eighty-five percent of school shooters obtained the firearm at their home or from a friend or relative. Another study found that more than seventy-five percent of firearms used in youth suicide attempts and unintentional injuries were stored in the residence of the victim, a relative, or a friend. Secure gun storage requirements for all firearms will increase public safety by helping ensure that children and other prohibited persons do not inappropriately gain access to firearms, and notice requirements will make the potential dangers of firearms clear to purchasers.

Therefore, to increase public safety for all Washingtonians, in particular our children, this measure would, among other things: Create an enhanced background check system applicable to semiautomatic assault rifles similar to what is required for handguns, require that individuals complete a firearm safety training course and be at least twenty-one years of age to purchase or possess such weapons, enact a waiting period for the purchase of such weapons, and establish standards for the responsible storage of all firearms.

<u>NEW SECTION.</u> Sec. 2. SHORT TITLE. This act may be known and cited as the public safety and semiautomatic assault rifle act.

Sec. 3. ENHANCED BACKGROUND CHECKS. RCW 9.41.090 and 2018 c 201 s 6003 are each amended to read as follows:

(1) In addition to the other requirements of this chapter, no dealer may deliver a pistol to the purchaser thereof until:

(a) The purchaser produces a valid concealed pistol license and the dealer has recorded the purchaser's name, license number, and issuing agency, such record to be made in triplicate and processed as provided in subsection (((5))) (6) of this section. For purposes of this subsection (1) (a), a "valid concealed pistol license" does not include a temporary emergency license, and does not include any license issued before July 1, 1996, unless the issuing agency conducted a records search for disqualifying crimes under RCW 9.41.070 at the time of issuance;

(b) The dealer is notified in writing by (i) the chief of police or the sheriff of the jurisdiction in which the purchaser resides that the purchaser is eligible to possess a pistol under RCW 9.41.040 and that the application to purchase is approved by the chief of police or sheriff; or (ii) the state that the purchaser is eligible to possess a firearm under RCW 9.41.040, as provided in subsection (3)(b) of this section; or

(c) The requirements or time periods in RCW 9.41.092 have been satisfied.

(2) <u>In addition to the other requirements of this chapter</u>, <u>no dealer may deliver a semiautomatic assault rifle to the purchaser thereof until:</u>

(a) The purchaser provides proof that he or she has completed a recognized firearm safety training program within the last five years that, at a minimum, includes instruction on:

(i) Basic firearms safety rules;

(ii) Firearms and children, including secure gun storage and talking to children about gun safety;

(iii) Firearms and suicide prevention;

(iv) Secure gun storage to prevent unauthorized access and use;

(v) Safe handling of firearms; and

(vi) State and federal firearms laws, including prohibited firearms transfers.

The training must be sponsored by a federal, state, county, or municipal law enforcement agency, a college or university, a nationally recognized organization that customarily offers firearms training, or a firearms training school with instructors certified by a nationally recognized organization that customarily offers firearms training. The proof of training shall be in the form of a certification that states under the penalty of perjury the training included the minimum requirements; and

(b) The dealer is notified in writing by (i) the chief of police or the sheriff of the jurisdiction in which the purchaser resides that the purchaser is eligible to possess a firearm under RCW 9.41.040 and that the application to purchase is approved by the chief of police or sheriff; or (ii) the state that the purchaser is eligible to possess a firearm under RCW 9.41.040, as provided in subsection (3)(b) of this section; or

(c) The requirements or time periods in RCW 9.41.092 have been satisfied.

(3)(a) Except as provided in (b) of this subsection, in determining whether the purchaser meets the requirements of RCW 9.41.040, the chief of police or sheriff, or the designee of either, shall check with the national crime information center, including the national instant criminal background check system, provided for by the Brady Handgun Violence Prevention Act (18 U.S.C. Sec. 921 et seq.), the Washington state patrol electronic database, the health care authority electronic database, and with other agencies or resources as appropriate, to determine whether the applicant is ineligible under RCW 9.41.040 to possess a firearm.

(b) <u>The state, through the legislature or initiative process,</u> may enact a statewide firearms background check system equivalent to, or more comprehensive than, the check reguired by (a) of this subsection to determine that a purchaser is eligible to possess a firearm under RCW 9.41.040. Once ((the)) <u>a state</u> system is established, a dealer shall use the state system and national instant criminal background check system, provided for by the Brady Handgun Violence Prevention Act (18 U.S.C. Sec. 921 et seq.), to make criminal background checks of applicants to purchase firearms. ((However, a chief of police or sheriff, or a designee of either, shall continue to check the health care authority's electronic database and with other agencies or resources as appropriate, to determine whether applicants are ineligible under RCW 9.41.040 to possess a firearm.))

(((3))) (4) In any case under this section where the applicant has an outstanding warrant for his or her arrest from any court of competent jurisdiction for a felony or misdemeanor, the dealer shall hold the delivery of the pistol or semiautomatic assault rifle until the warrant for arrest is served and satisfied by appropriate court appearance. The local jurisdiction for purposes of the sale, or the state pursuant to subsection (3)(b) of this section, shall confirm the existence of outstanding warrants within seventy-two hours after notification of the application to purchase a pistol <u>or semiautomatic assault rifle</u> is received. The local jurisdiction shall also immediately confirm the satisfaction of the warrant on request of the dealer so that the hold may be released if the warrant was for an offense other than an offense making a person ineligible under RCW 9.41.040 to possess a ((pistol)) <u>firearm</u>.

(((4))) (5) In any case where the chief or sheriff of the local jurisdiction, or the state pursuant to subsection (3)(b) of this section, has reasonable grounds based on the following circumstances: (a) Open criminal charges, (b) pending criminal proceedings, (c) pending commitment proceedings, (d) an outstanding warrant for an offense making a person ineligible under RCW 9.41.040 to possess a ((pistol)) firearm, or (e) an arrest for an offense making a person ineligible under RCW 9.41.040 to possess a ((pistol)) firearm, if the records of disposition have not yet been reported or entered sufficiently to determine eligibility to purchase a ((pistol) firearm, the local jurisdiction or the state may hold the sale and delivery of the pistol or semiautomatic assault rifle up to thirty days in order to confirm existing records in this state or elsewhere. After thirty days, the hold will be lifted unless an extension of the thirty days is approved by a local district court, superior court, or municipal court for good cause shown. A dealer shall be notified of each hold placed on the sale by local law enforcement or the state and of any application to the court for additional hold period to confirm records or confirm the identity of the applicant.

(((5))) (<u>6)(a)</u> At the time of applying for the purchase of a pistol <u>or semiautomatic assault rifle</u>, the purchaser shall sign in triplicate and deliver to the dealer an application containing:

(i) His or her full name, residential address, date and place of birth, race, and gender;

(ii) The date and hour of the application;

(iii) The applicant's driver's license number or state identification card number;

(iv) A description of the pistol <u>or semiautomatic assault</u> <u>rifle</u> including the make, model, caliber and manufacturer's number if available at the time of applying for the purchase of a pistol <u>or semiautomatic assault rifle</u>. If the manufacturer's number is not available <u>at the time of applying for</u> <u>the purchase of a pistol or semiautomatic assault rifle</u>, the application may be processed, but delivery of the pistol <u>or</u> <u>semiautomatic assault rifle</u> to the purchaser may not occur unless the manufacturer's number is recorded on the application by the dealer and transmitted to the chief of police of the municipality or the sheriff of the county in which the purchaser resides, <u>or the state pursuant to subsection (3)</u> (b) of this section; ((and))

(v) A statement that the purchaser is eligible to <u>purchase</u> and possess a ((pistol)) <u>firearm</u> under ((RCW 9.41.040)) state and federal law; and

(vi) If purchasing a semiautomatic assault rifle, a statement by the applicant under penalty of perjury that the applicant has completed a recognized firearm safety training program within the last five years, as required by subsection (2) of this section. (b) The application shall contain ((a)) two warnings substantially stated as follows:

(i) CAUTION: Although state and local laws do not differ, federal law and state law on the possession of firearms differ. If you are prohibited by federal law from possessing a firearm, you may be prosecuted in federal court. State permission to purchase a firearm is not a defense to a federal prosecution: and

(ii) CAUTION: The presence of a firearm in the home has been associated with an increased risk of death to self and others, including an increased risk of suicide, death during domestic violence incidents, and unintentional deaths to children and others.

The purchaser shall be given a copy of the department of fish and wildlife pamphlet on the legal limits of the use of firearms((;)) and firearms safety((, and the fact that local laws and ordinances on firearms are preempted by state law and must be consistent with state law)).

(c) The dealer shall, by the end of the business day, sign and attach his or her address and deliver a copy of the application and such other documentation as required under subsections (1) and (2) of this section to the chief of police of the municipality or the sheriff of the county of which the purchaser is a resident, or the state pursuant to subsection (3)(b) of this section. The triplicate shall be retained by the dealer for six years. (d) The chief of police of the municipality or the sheriff of the county, or the state pursuant to subsection (3)(b) of this section, shall retain or destroy applications to purchase a pistol or semiautomatic assault rifle in accordance with the requirements of 18 U.S.C. Sec. 922.

(((6))) (7)(a) To help offset the administrative costs of implementing this section as it relates to new requirements for semiautomatic assault rifles, the department of licensing may require the dealer to charge each semiautomatic assault rifle purchaser or transferee a fee not to exceed twenty-five dollars, except that the fee may be adjusted at the beginning of each biennium to levels not to exceed the percentage increase in the consumer price index for all urban consumers, CPI-W, or a successor index, for the previous biennium as calculated by the United States department of labor.

(b) The fee under (a) of this subsection shall be no more than is necessary to fund the following:

(((7))) (9) This section does not apply to sales to licensed dealers for resale or to the sale of antique firearms.

Sec. 4. WAITING PERIOD. RCW 9.41.092 and 2018 c 145 s 4 are each amended to read as follows:

(1) Except as otherwise provided in this chapter and except for semiautomatic assault rifles under subsection (2) of this section, a licensed dealer may not deliver any firearm to a purchaser or transferee until the earlier of:

However, for sales and transfers of pistols if the purchaser or transferee does not have a valid permanent Washington driver's license or state identification card or has not been a resident of the state for the previous consecutive ninety days, then the time period in this subsection shall be extended from ten business days to sixty days.

(2) Except as otherwise provided in this chapter, a licensed dealer may not deliver a semiautomatic assault rifle to a purchaser or transferee until ten business days have elapsed from the date of the purchase application or, in the case of a transfer, ten business days have elapsed from the date a background check is initiated.

(4) If a death or serious injury occurs as a result of an alleged violation of subsection (1)(a) of this section, the prosecuting attorney may decline to prosecute, even though technically sufficient evidence to prosecute exists, in situations where prosecution would serve no public purpose or would defeat the purpose of the law in question.

(5) For the purposes of this section, "prohibited person" means a person who is prohibited from possessing a firearm under state or federal law.

(6) Nothing in this section mandates how or where a firearm must be stored.

The application for the writ may be made in the county in which the application for a concealed pistol license or alien firearm license or to purchase a pistol <u>or semiautomatic assault rifle</u> was made, or in Thurston county, at the discretion of the petitioner. The department of licensing shall notify the department of revenue of the name and address of each dealer licensed under this section.

(5)(a) A licensing authority shall, within thirty days after the filing of an application of any person for a dealer's license, determine whether to grant the license. However, if the applicant does not have a valid permanent Washington driver's license or Washington state identification card, or has not been a resident of the state for the previous consecutive ninety days, the licensing authority shall have up to sixty days to determine whether to issue a license. No person shall qualify for a license under this section without first receiving a federal firearms license and undergoing fingerprinting and a background check. Every employee shall comply with requirements concerning purchase applications and restrictions on delivery of pistols <u>or semiautomatic assault rifles</u> that are applicable to dealers.

(6)(a) Except as otherwise provided in (b) of this subsection, the business shall be carried on only in the building designated in the license. For the purpose of this section, advertising firearms for sale shall not be considered the carrying on of business.

(7) The license or a copy thereof, certified by the issuing authority, shall be displayed on the premises in the area where firearms are sold, or at the temporary location, where it can easily be read.

(8)(a) No pistol <u>or semiautomatic assault rifle</u> may be sold: (i) In violation of any provisions of RCW 9.41.010 through 9.41.810; nor (ii) may a pistol <u>or semiautomatic assault rifle</u> be sold under any circumstances unless the purchaser is personally known to the dealer or shall present clear evidence of his or her identity.

(c) The license fee for pistols shall be one hundred twenty-five dollars. The license fee for firearms other than pistols shall be one hundred twenty-five dollars. The license fee for ammunition shall be one hundred twenty-five dollars. Any dealer who obtains any license under subsection (1), (2), or (3) of this section may also obtain the remaining licenses without payment of any fee. The fees received under this section shall be deposited in the state general fund.

(9)(a) A true record in triplicate shall be made of every pistol <u>or semiautomatic assault rifle</u> sold, in a book kept for the purpose, the form of which may be prescribed by the director of licensing and shall be personally signed by the purchaser and by the person effecting the sale, each in the presence of the other, and shall contain the date of sale, the caliber, make, model and manufacturer's number of the weapon, the name, address, occupation, and place of birth of the purchaser, and a statement signed by the purchaser that he or she is not ineligible under ((RCW 9.41.040)) <u>state or federal law</u> to possess a firearm.

(b) One copy shall within six hours be sent by certified mail to the chief of police of the municipality or the sheriff of the county of which the purchaser is a resident, or the state pursuant to RCW 9.41.090; the duplicate the dealer shall within seven days send to the director of licensing; the triplicate the dealer shall retain for six years.

(10) Subsections (2) through (9) of this section shall not apply to sales at wholesale.

(11) The dealer's licenses authorized to be issued by this section are general licenses covering all sales by the licensee within the effective period of the licenses. The department shall provide a single application form for dealer's licenses and a single license form which shall indicate the type or types of licenses granted.

(12) Except as provided in RCW 9.41.090, every city, town, and political subdivision of this state is prohibited from requiring the purchaser to secure a permit to purchase or from requiring the dealer to secure an individual permit for each sale.

Sec. 11. RCW 9.41.113 and 2017 c 264 s 2 are each amended to read as follows:

(1) All firearm sales or transfers, in whole or part in this state including without limitation a sale or transfer where either the purchaser or seller or transferee or transferor is in Washington, shall be subject to background checks unless specifically exempted by state or federal law. The background check requirement applies to all sales or transfers including, but not limited to, sales and transfers through a licensed dealer, at gun shows, online, and between unlicensed persons.

(2) No person shall sell or transfer a firearm unless:

(a) The person is a licensed dealer;

(b) The purchaser or transferee is a licensed dealer; or

(3) Where neither party to a prospective firearms transaction is a licensed dealer, the parties to the transaction shall complete the sale or transfer through a licensed dealer as follows:

(a) The seller or transferor shall deliver the firearm to a licensed dealer to process the sale or transfer as if it is selling or transferring the firearm from its inventory to the purchaser or transferee, except that the unlicensed seller or transferor may remove the firearm from the business premises of the licensed dealer while the background check is being conducted. If the seller or transferor removes the firearm from the business premises of the licensed dealer while the background check is being conducted, the purchaser or transferee and the seller or transferor shall return to the business premises of the licensed dealer and the seller or transferor shall again deliver the firearm to the licensed dealer prior to completing the sale or transfer.

(b) Except as provided in (a) of this subsection, the licensed dealer shall comply with all requirements of federal and state law that would apply if the licensed dealer were selling or transferring the firearm from its inventory to the purchaser or transferee, including but not limited to conducting a background check on the prospective purchaser or transferee in accordance with federal and state law requirements ((and)), fulfilling all federal and state recordkeeping requirements, and complying with the specific requirements and restrictions on semiautomatic assault rifles in this act.

(c) The purchaser or transferee must complete, sign, and submit all federal, state, and local forms necessary to process the required background check to the licensed dealer conducting the background check.

(d) If the results of the background check indicate that the purchaser or transferee is ineligible to possess a firearm, then the licensed dealer shall return the firearm to the seller or transferor.

(e) The licensed dealer may charge a fee that reflects the fair market value of the administrative costs and efforts incurred by the licensed dealer for facilitating the sale or transfer of the firearm.

(4) This section does not apply to:

(a) A transfer between immediate family members, which for this subsection shall be limited to spouses, domestic partners, parents, parents-in-law, children, siblings, siblings-in-law, grandparents, grandchildren, nieces, nephews, first cousins, aunts, and uncles, that is a bona fide gift or loan;

(f) A federally licensed gunsmith who receives a firearm solely for the purposes of service or repair, or the return of

the firearm to its owner by the federally licensed gunsmith;

(g) The temporary transfer of a firearm (i) between spouses or domestic partners: (ii) if the temporary transfer occurs, and the firearm is kept at all times, at an established shooting range authorized by the governing body of the jurisdiction in which such range is located; (iii) if the temporary transfer occurs and the transferee's possession of the firearm is exclusively at a lawful organized competition involving the use of a firearm, or while participating in or practicing for a performance by an organized group that uses firearms as a part of the performance; (iv) to a person who is under eighteen years of age for lawful hunting, sporting, or educational purposes while under the direct supervision and control of a responsible adult who is not prohibited from possessing firearms: (v) under circumstances in which the transferee and the firearm remain in the presence of the transferor; or (vi) while hunting if the hunting is legal in all places where the person to whom the firearm is transferred possesses the firearm and the person to whom the firearm is transferred has completed all training and holds all licenses or permits required for such hunting, provided that any temporary transfer allowed by this subsection is permitted only if the person to whom the firearm is transferred is not prohibited from possessing firearms under state or federal law:

(h) A person who (i) acquired a firearm other than a pistol by operation of law upon the death of the former owner of the firearm or (ii) acquired a pistol by operation of law upon the death of the former owner of the pistol within the preceding sixty days.
